

Position available: PolyWhey® Production Assistant

Location: Hardwick, Vermont (yes, that Hardwick)

Vermont Natural Coatings, Inc manufactures PolyWhey®, the next generation of wood finish. Our patented product, invented at the University of Vermont, is a new line of environmentally safe wood finishes. All aspects of the company take place at our Hardwick facility. Business growth requires a full time Production Assistant.

The Production Assistant position is an opportunity to participate in the growth of a young business. You will be assisting in formulating our innovative and award-winning coatings. Your abilities will have a direct impact on the success of VNC's unique products, the company as a whole, and the growing agricultural economy in Vermont.

Job responsibilities

- ✓ Assist in manufacture of Vermont Natural Coatings products
- ✓ Assist with testing and quality control procedures
- ✓ Label, fill and packaging products
- ✓ Clean and maintain production line, including tanks and equipment
- ✓ Keep manufacturing floor safe, organized and clean
- ✓ Keep ingredients inventories and organized

Candidate requirements

- ✓ Able to safely move 55 gallon barrels, climb ladders onto large tanks and maneuver pallets
- ✓ Able to safely lift and move 50 pound pails and boxes
- ✓ Detailed, safe, professional work habits
- ✓ Quality control skills
- ✓ Able to work in a high output, small business environment
- ✓ Interest in Green products and/or Green building initiatives
- ✓ Willing to participate in new and ongoing projects
- ✓ Self-motivated

Compensation

Competitive hourly wage. Opportunity for health insurance after probation period.

Future

Room for advancement as we grow.

To apply:

Please send cover letter and resume to: work@vermontnaturalcoatings.com or mail to our PO Box.
