

Professional Wood Floor Cleaner

THE CLEAR CHOICE IN WOOD FLOOR CLEANERS

Designed to the same standards of our non-toxic Norton|Vermont Natural Coatings PolyWhey Professional Wood Floor Finishes, our new professional-grade Wood Floor Cleaner removes grease, dirt, and stains from floors without dulling the finish or leaving a residue. Its unique formulation has no odor and is non-toxic, making it a safer alternative for the environment, schools and homes, and the people and pets who reside within. Available in both a daily cleaner for light cleaning of finished floors and a heavy-duty deep cleaner used to treat heavily soiled floors. The cleaner is an integral part of the surface prep system prior to re-coating a floor with Norton|Vermont Natural Coatings PolyWhey Professional floor finishes. The perfect leave-behind to ensure your customers are happy with their floors for years to come.

FEATURES AND BENEFITS

- Safe for use on most non-wax (oil- or water-based) finishes and other hard surfaces, including all Norton|Vermont Natural Coatings PolyWhey Professional Wood Floor Finishes
- Strong and effective for the toughest cleaning applications yet won't damage the finish or leave a residue
- Unique formulation is completely odorless, non-flammable, hypoallergenic and non-toxic and poses no health risk to people and pets
- The first step in the Norton|Vermont Natural Coatings PolyWhey floor finish re-coating system
- Perfect for use in residential and commercial applications and schools
- Available in two formulations to cover all cleaning scenarios from light maintenance to heavily soiled floors in need of a deep clean
- Deep Floor Cleaner can be used in Auto-scrubbers for the cleaning of sports floors prior to re-coating with Norton|Vermont Natural Coatings MVP sports floor finish
